The 1983 Senior Football Team had a very rewarding year which culminated in the team winning the Div. 2 City Championship.

With 30 Rookies on the team, the Rebels got off to a slow start during the regular season. As the season progressed, they garnered more experience and almost defeated top ranked Salisbury in what many people around the league considered one of the most exciting games in High School Ball this year.

The team "jelled" as they entered the playoffs and proceeded to win 3 consecutive games. The Rebels defeated Queen Elizabeth Knights in the opening game 30-11. Next, they disposed of Bonnie Doon Lancers in the semi-final 21-7. In the Div. Championship Final Game, the J.P. squad edged the St. Joseph's Saints 18-15.

The victory in the championship game was especially satisfying for this young team as many of the players will be back next year. It also was a way of saying "thanks" to the veterans who are graduating. These veterans are the ones that have helped J.P. get back to football respectability. To them, we wish the "best" in any future endeavours.

Congratulations to all the players for their superb contribution this past season. Special thanks must be mentioned to our loyal fans, which included numerous parents and teachers who were always there with their moral and vocal support.

We must mention special thanks to the assistant coaches, many of them from outside of the school, who volunteered countless hours in preparation of the team.

We look forward to next season.

This year's team had some unfortunate luck before Christmas and because of injuries and an unfriendly schedule, ended up in City Conference. However, the Rebels rebounded from this and played some outstanding basketball this season. All of the players improved considerably and because of this, some may be able to go to a higher level.

Returning players Todd DeHaan, Ray Wiebe, and Dan Van Leeuwan made significant contributions to

the team this year and are to be congratulated for their three year involvement with the Rebels. Scott McIntyre, a two year man, had an unbelievable year and dominated most games. One of his honors included being selected an All Star in the Rebel Early Bird and winning the Slam-Dunk Contest.

With the returning players and a strong Junior Team, the 1984 season should be a successful one.

Junior Boys' Basketball

The juniors with a predominantly grade 10 team scraped to get into the premier conference. They were led by the excellent play of Chris Nielson and Jim Spears, both graduates of Stratford Junior High

J.P.'s newspaper club, The Rebel Press, is into another year of publication thanks to the efforts of a small handful of hard-working students. Students do the writing, typing, layout and printing it is due to their work that the newspaper has become part of J.P.'s tradition. It is hoped that this will continue into future.

This club provides a publication overue for the works of that potential writer, artist, cartoonist, photographer. Perhaps this could be the start of some young journalists' career.

The Rebel Press invites the active support of the student body.

When you first read this there will only be fifteen or so days left in the school year. There will be a brief flurry of activity while autographs and comments are collected, a few chuckles over reminisced moments shown in candid pictures and expressed in the various editorial comments. All too soon, will come final exams, then the promise and plans of yet another summer. This yearbook will be retired to a shelf somewhere and, basically, forgotten. Such is the fate of all yearbooks.

Years from now you will unearth this text and reminisce ...

This is the function of a yearbook and we hope it creates the magic of remembering; friends, events, and special moments for each of you.

Special thanks to all the yearbook personnel for their support.

Congratulations are in order for our editor Van Le, without whom it is likely this edition of the book would not have been completed. Her leadership, hours of dedication, and spirited effort have carried this book to completion.

Believe it or not, Echo '84 is finally published. Actually it is a miracle considering we had a staff of 5 out of a school of 1800. Nevertheless, thanks to my wonderful, talented, and hard-working (how's that Joyce) staff, we made it to the final deadline.

We all had a great time and I myself will always have fond memories of chasing after people for write-ups.

This year we have added an Acknowledgements page where we have thanked all who have helped us. Our greatest thanks go to our advisor, Mr. Phelps, who always did much more than advise. I speak both for the staff and myself when I say we are proud of Echo '84.

The staff this year included:

Athletic Department, and hopes its entry in the League was a forerunner of many successful teams in the future.

JASPER PLACE CHORAL PROGRAM

Music has always been popular at J.P., and the Choral Department is no exception. There are three main choral groups, and the showiest is the Show choir.

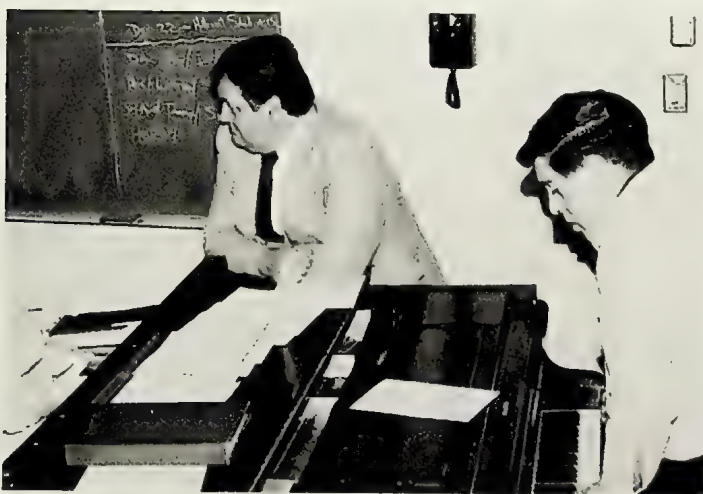

The Show Choir is the crew that performs at local banquets, and functions, and travelled to Disneyland. Singing, dancing, and drama are all part of their act.

The second group is the Jazz choir. A class time choir, its main emphasis is on jazz music.

The third group, the Concert choir is also an in-class program. Unlike Jazz, however, this group practices all styles of music. One of their main shows this year, was the remake of Michael Jackson's THRILLER video.

One of the choral department's hopes is to start a semi-professional alumni group of grads from the school program. This idea has promise, from looking at the talents and ambitions of some Rebel songbirds.

Guest speakers are invited to discuss these topics with club members. This year Colleen Fischer is the club president with Barb Young assisting. Over the past years, the club has put on fashion shows in the school, at Centennial Mall and for various organizations in the community.

Photo Club is a small but devoted group. This year we have spent most of our time learning portrait lighting. Two "new" sponsors who have been helping Mr. MacKeage are Mrs. von Schilling and Mrs. Pat Batten. Mrs. Batten was a Photo Club member several years ago.

We are looking forward to the spring mountain field trip and the shooting of Senior Class Night pictures.

Class Council '84

Graduation is a very special and exciting time for all members of the graduating class. It marks the culmination of our high school years and the beginning of a new life full of hopes and challenges. Our Graduation Banquet and Dance will no doubt be among the cherished memories we will carry with us as we leave Jasper Place.

A successful Graduation Banquet and Dance, however, takes months of planning and hard work by many people. I would particularly like to thank the members of the Senior Class Council Executive for their tremendous dedication in the organization of the Banquet and Dance. Special thanks goes out to Doug Mandel, the vice-president; to Susan Scotnicki, April Gregg and Barb Young, who were in charge of the program; to Colleen Fischer, Theresa Sofonoff, and Ellen Simpkin, whose main responsibility was the banquet and dance; and to the secretary-treasurer, Melanie Carr. As well, there were numerous other volunteers who contributed their time and effort to make the evening a success. The Council would also like to express its gratitude to the staff advisors, Mr. Olthuis, Mr. Sjolie and Mrs. Rowe for their patience, guidance, and support.

The Alex Taylor Project was a great success in its second year at Jasper Place Comp., and I'd like to extend a personal thanks to everyone who helped on any of the events we undertook. The staff and student support were both overwhelming and heartwarming.

This year, we added a few things to our list of activities with our adopted school. The first big one was the Halloween party on Halloween Eve. The students (from both sides), had a great time. We had a sponge toss, bobbing-for apples, face-painting, pinata breaking, and food, which was only second to the Haunted House, in popularity. A lot of work went into the planning and running of the party, but we had several enthusiastic helpers, and it was a big success. We achieved our goal of having a safe, fun Halloween for the A.T. kids, many of whom had never had a Halloween before.

Next in line was of course Christmas. J.P. students enjoyed a performance of the choir and Handbell group from Alex Taylor, and showed their appreciation with a standing ovation. After the Assembly, the Choirs went skating, accompanied by some of our own Rebels and had a great time.

Our Christmas party was another highlight. Lots of food and lots of carols made for lots of fun. Santa even had time to show up! He was a big hit, of course.

In closing, I would like to applaud all those who contributed to our fund-raising drive in December. Through your efforts, we raised over fifteen hundred dollars! Thanks again for all the work.

We can all look forward to more experiences with Alex Taylor in the years to come. As you look back over this school year, many of your memorable events will have been with the Alex Taylor kids. I hope you will cherish these memories as much as I do.

This year J.P. played host to 35 Quebec students as the Quebec Exchange got under way. Because of the response shown by students, there were two trips. Each J.P. student was twinned with a Quebec partner and they spent a week in each other's home.

The top group under the instruction of Mrs. Tremblay, was twinned to St. Hilaire School, from Quebec. Headed by Mr. Tichowsky, the second group toured Montreal and Quebec City, and explored the Thetford Mines with their twins from A.S. Johnson High School.

In return when the Quebec students arrived, they were taken on a tour of Edmonton. The purpose of these Exchanges was to allow J.P. Rebels a look at Quebec and the French Canadian way of life and vice-versa.

The two Exchanges were a success, and a lot of fun. Everybody had a good time and made new friends.

Art and Cultural Center

Art has always been and still is an integral part of our endeavor to discover our place in the scheme of things, to explore and control the universe we live in. The Jasper Place Cultural Center was established to promote this aesthetic and artistic development of as well as to support and encourage student talent. Our goal is to teach students to recognize the potential of the Arts and to show them how to use them in a way that enhances rather than diminishes the quality of their lives.

REBEL EARLY BIRD BASKETBALL TOURNAMENT 1983

The '83' edition of the R.E.B. proved to be a resounding success thanks to the hard work of many people. The quality of the tournament, in terms of competition, was up by 20% this year.

This year the tournament breakfast replaced the evening banquet, and proved to be a great success. The tournament social on the Saturday evening was packed and everyone had an excellent time.

Tournaments of this size are only as good as the people involved. We at Jasper Place are very fortunate to have teachers, students, and many community members who take a great deal of pride to ensure the success of the tournament.

This year the final game festivities were highlighted with a shooting competition and a "slam-dunk" competition, much to the enjoyment of the crowded gymnasium.

The results of the '83' R.E.B. were as follows:

Boy's Championship Trophy - M.E. Lazerte,
Edmonton
Girls' Championship Trophy - Cowichan Thunderettes,
Duncan, Vancouver
land
Boys' Sportsmanship Trophy - Queen Elizabeth Royals,
Surrey, B.C.

Girls' Sportsmanship Trophy - St. Joseph Ceneihs,
Grande Prairie, Alberta
Boys' Consolation Trophy - Scona Lords, Edmonton
Girls' Consolation Trophy - Salisbury Sabres,
Sherwood Park

We hope to see everyone at next year's Rebel Early Bird Tournament, December 13, 14, and 15th 1984.

Tell me not, in mournful numbers,
Life is but an empty dream!-
For the soul is dead that slumbers,
And things are not what they
seem.

Life is real! Life is earnest!
And the grave is not its goal;
Dust thou art, to dust returnest,
Was not spoken of the soul.

Not enjoyment, and not sorrow,
Is our destined end or way;
But to act, that each to-morrow
Find us farther than to-day.

In the world's broad field of
battle,
In the bivouac of Life,
Be not like dumb, driven cattle!
Be a hero in the strife!

Lives of great men all remind us
We can make our lives sublime,
And departing, leave behind us
Footprints on the sands of time;

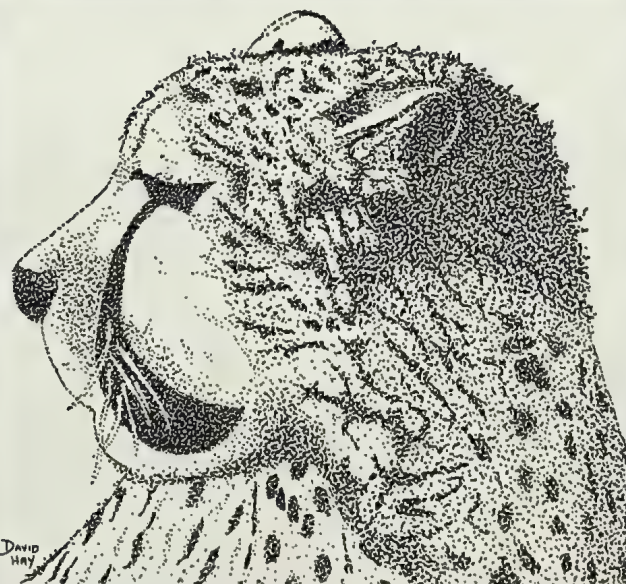

Footprints, that perhaps another,
Sailing o'er life's solemn main,
A forlorn and shipwrecked
brother,
Seeing, shall take heart again.

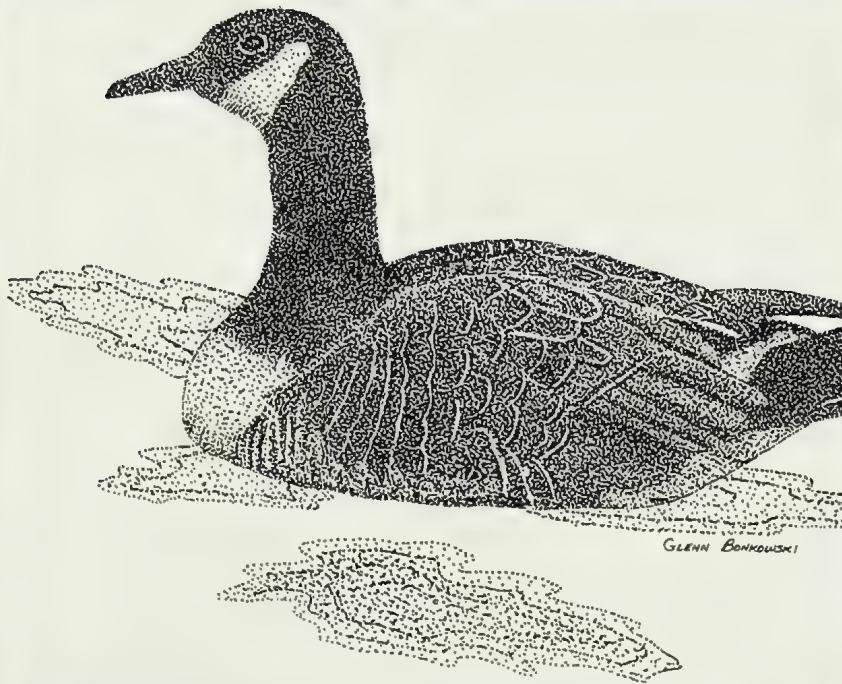

Let us, then, be up and doing,
With a heart for any fate;
Still achieving, still pursuing,
Learn to labor and to wait.

Longfellow

your smile
holds such a quality
that all whom you choose to smile at
or with
or for
are filled with your happiness
yet behind those eyes
lies a person
whom no one really knows.
It is only when you smile
that your defenses are down
and I can say
I
Know
you.

A RAINY DAY

Heaven sheds melancholy tears
which form frowning puddles
on lonely streets.
Droplets pound rooftops pattering on
with endless continuity.
Windows weep with painful regret
for loss of sun.
Trees no longer stand erect as
if at attention, but droop like dejected
soldiers defeated by the day.
The air is a moist, cool covered box
with walls of painted grey.
Numbed by the rain, the world
awaits as if for the stopping of time.

M.H.

Shirley Sandel

Carefully,
 Oh, so carefully
 I wrote your name
 On a piece of paper.
 It looked so nice there-
 Next to mine.
 Intertwined with lace
 and roses
 Then, carefully.
 Oh, so carefully.
 I rubbed it out.
 A sadness comes.
 As deep as the ocean
 I have to tell myself
 I did not erase my love,
 only the evidence.

Chris Horlacher

If your world is falling
 apart,
 Come to me and I will
 try to build it up again.
 But,
 You must be patient:
 I can only carry one
 brick
 at a time.

Tammie Quick

The night was young
 and so was I.
 I sat there
 brooding
 waiting.
 Vengeance sang in my veins.
 The night wore on
 and I sat there
 thinking,
 remembering,
 hating,
 reasoning,
 understanding.
 and forgiving.
 I sat there
 The night grew old
 and so did I.

THE INTERRUPTION

The start is the finish;
Yet the end is only the beginning.

Cool ...
A swell of heat,
A burst of flame;
The embers fade.
Cool ...

The birth of a child-
Mourn little one.
Life's burdens are upon you.
Sorrow and suffering are yours
to endure.

Fear and courage,
Love and hate;
Only brothers and sisters
In a meaningless world of
words.

Years of endless strife forebear
centuries of serenity.
The tranquility of your soul is
disturbed by birth.
Death marks a new beginning.

WHY WORRY

Why worry about yesterday
When yesterday is gone
Sure yesterday was once here
But now it's gone for good.

Why worry about tomorrow
When tomorrow isn't here
Why worry about it yet
Until it's here today.

Why worry about today
Of course today is now
But tomorrow it will be yesterday
And yesterday is gone.

Barb Webb

But at my back, I always hear
Time's winged chariots
drawing near.

Andrew Marvell

Fighting wrecked the wounded land
Children screamed and people ran
But the fighting reigned most everywhere
And people died, but no one cared
They were safe with wicked fears
For themselves that's all they cared
But not for the rest of the people near
So no one opposed them for they were here.

-Rob. K.

You see life as something
that leads you
Through tough times and
despair
But through it all, please
don't forget
I always will be there

You say the days are harder
to face
The nights belong to you
I think you hide behind the
night
You just don't know what to
do

You say there's never enough
Love
To keep you from destruction
The hole of death and
eternal life
Has you pulling through its
suction

But there's always someone
out there
Someone that's just like you
Someone to make the days
better
And the nights more better too.

But even though you don't
see me
I'll always be here for you
I'm like a guardian Angel
Who will always pull you
through

MY FRIEND

He is a cowboy from years back. His nose has been broken several times, for it does not hold the family shape any more.

At one time he had a full head of hair; now he just has the remains. His has been a victim of life, being lifted up and then kicked down. His knees have been twisted and broken, yet, he still smiles and laughs at life.

His wife has taken him for a ride! She took him for almost everything he had and believe me, that was a fortune. She also took the kids away. Now he lives in a shack with some land and drives an old Cadillac. Yet, he still smiles and laughs at life.

His smile is not only on his face, but in his eyes also. When he is happy, his eyes are sky blue with a misty background. At least with him you can tell what kind of mood he is in. His eyes seem to change colour to grey when he is angry.

You would be led to believe that this is a hard person. He is like fine wine; the older he gets, the better he gets! His voice carries calmness, reassurance and understanding.

He is a great friend of mine. There is at least forty five years between us. Age does not matter because he is my uncle, and he still smiles and laughs at life.

Last year was good but this year - 83-84- is going to be even better. Because this is going to be the second year of 3 programs, the resource office program, Phoenix and the Alex Taylor projects.

Brought to us from the Ed-

monton Police Department Constable Bernie Wilde is now a familiar sight to the students and is on a first name basis. Constable Wilde had many things to say of his first year in J.P., but what he liked best was being a liaison between

Edmonton's finest and the student population. He enjoys talking to the students and can be seen most of the times with his head-bent in discussion or in the office working. Constable Wilde has been doing a great job and is well liked - but what

Also started last year was the Phoenix program. It stands for Programs for Handicapped Occupational Education Nurturing of

tries to find employment for the adult once he finishes the course. It is a wonderful project which helps many people. Last but not least is our Sister School program. Last year we took Alex Taylor under our wing and because of the success, the

GOOD JOB

Every year we devote some space to the students who spent their time in making J.P. beautiful. Each year Art 20 and 30 students take an idea and paint it on the walls. Started in

1981 by Mrs. Fryer, the school now has a total of 18 on its walls.

These murals are beautiful and they show to Rebels and visitors alike how creative and artistic our student body is. Thanks guys for a great job!

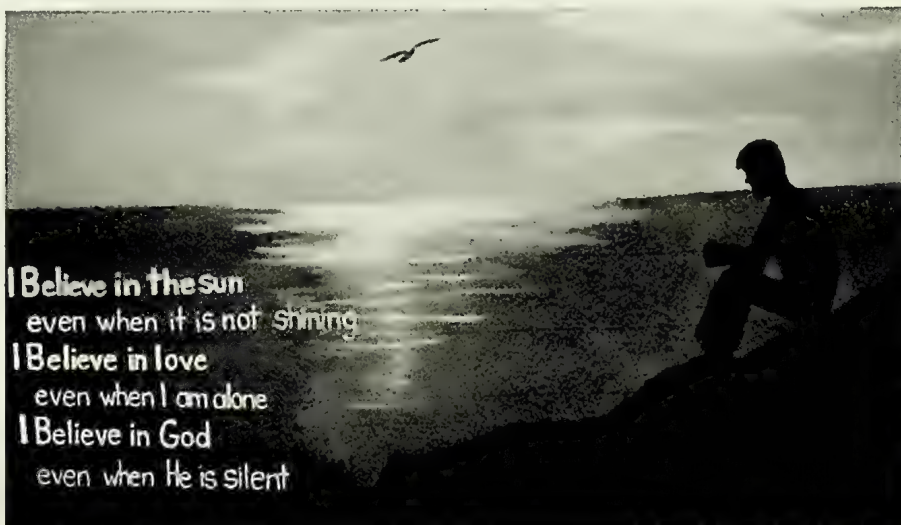

Shown here are several of the more well known ones from the year 1983-84.

In the following pages we have a series of candid pictures. These are the faces of this year.

REBEL CLUBS

Just to show what a mixture the Rebels are, take a look at our clubs. At last count we have 22 of them. They range from Chess to Modelling and Jazz Choir to Wrestling. There is something for everyone in J.P., whether they be jocks, scholars, artists, or the ordinary Rebel who has lots of fun.

BUSINESS EDUCATION

The Yearbook would like to thank Mrs. Lawless and her Business Education students for their help in the 1984 Echo. We greatly appreciate your help in the typing and editing of our written

material.

The Business Department is well known throughout the school for their assistance in typing out greatly needed materials.

The program benefits both

parties. The teachers can get their tests and such typed out quickly and the students can use the experience.

Every year brings many memories. In the yearbook we try to capture some of the flavour of the school year so that you would read it over and over again. It holds friends, laughter, joy, happiness,

This year our theme is "Smiles" and that's what we hope you will do when you look at your yearbook.

Thank you,

WEST EDMONTON MALL- CONVENTION CENTER

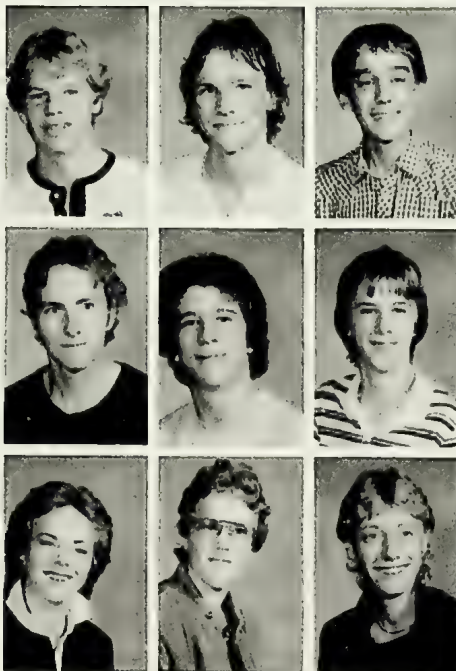

On August 17, 1983, West Edmonton Mall opened the doors of its phase II. Complete with an NHL size skating rink, exotic birds, colourful fish, a beautiful amusement park called Fantasyland. West Edmonton Mall is worthy of its title as "The World's Largest Fun and Fashion Center".

But even before the doors opened, there were plans for phase III. Rumour has it that there would be a condominium complex and a man-made lake in the 3rd phase.

Just a few months before, Edmonton's first Convention Center was opened. Its purpose is to attract more business to Edmonton. A gigantic glass structure is an imposing scene on the hillside.

J.P. HAS FIRST ATTENDANCE COMPUTER

This school year had brought many changes in J.P.C.H.S. One of them was its attendance policy. Along with change came a computer. Nicknamed "Survivor" by the office staff, this computer is the first of its kind in Canada.

It is operated by J.P.'s first attendance operator, Mrs. Judy Olson. Survivor's job is to call home

at night if the student was missing in class that day; and it has been doing a great job. It lets parents know if their children were missing and makes it hard for the students to skip.

However, Survivor is not perfect. Programmed to try calling the homes 3 times per night only, one night it made a mistake. For you see, one poor parent answered the phone 95 times that night to survivor.

M.A.S.H.

The Korean War finally ended on M.A.S.H. this year. Assembled for the last time, the cast said goodbye to each other in a 2 1/2 hour long special. Over two million viewers watched and many had M.A.S.H. bashes. Were you one of these people.

EDMONTON ALIVE

Edmonton was a great place to live in the summer of '83. We were visited by the Police, Men at Work, Iron Maiden, Supertramp, and perhaps the biggest concert of them all David Bowie. 60,000 ardent fans were at the Commonwealth

Stadium.

In the same stadium just a few weeks before was the Universiade Games. The games were opened with a touch of royalty and glamour by Prince Charles and Lady Diana on their Canadian Tour. As the host, Edmonton painted murals on its skyscrapers, hung banners,

provided entertainment and honoured University athletes from all over the world. It was a big job hosting the Games but over 2,000 volunteers pitched in and Edmonton was made proud. And as the final results were totaled, Canada was even prouder, for its athletes had won 9 golds, 10 silvers, and 19

bronzes.

Besides concerts several great movies also came to the city. "Return of the Jedi" was one of them. It continues the saga of Star Wars and is one of the biggest moneymakers of all times. Other good movies include Flashdance and War Games.

FADS AND FASHION

Practically anything was in fashion this year. But basically bandannas around the leg or neck, checkered shoes with bright colors, camouflage army pants, crop jeans, preppy alligator shirts, sweats, robin hood boots, and mini-skirts were the latest fads. Hairstyles ranged from mohawks to long curly hair, but every hair style used gel.

Safety pins or big earrings were worn with double, triple, or quadruple pierced ears. Everyone listened to New Wave, funk or heavy metal music on their ghetto blasters and walkmans. Break dancing was "choice" and the physical fitness phase was "righteous". There were lots of trends for 1983/84 and Jasper Place always set them.

WHAT IS GRADUATION?

Graduation is a milestone in life. It is an ending and a beginning. It is a stepping stone from the past with its hours of study and its marvelous moments of fun to new life full of challenges. Graduation is a sad and glad time of life when we must say farewell to fellow students and faculty and look ahead to new friends. It is a time of laughter and tears and reflection. It is leaving behind the old well travelled ways and setting out on new, unexplored roads. Graduation is a proud, unforgettable time of life, sprinkled with moments of deep contentment, satisfaction and high hopes. Graduation is an end and a beginning.

A smile can overcome the storm,
a laugh can ease the pain.

In the NICEST SMILE category, Sarah Young took first place, Mr. Risselada was second,

and Kathy Oster was third.

What's life if you can't laugh at it? The FUNNIEST LAUGH category asked for persons with the most infectious and hilarious laugh.

Marty Enokson's memorable laugh came in first, followed closely by Gerry Barr's, and not far behind in third place was Mr. Risselada's.

One of the main questions on the grad survey asked for the BEST LOOKING MALE and BEST LOOKING FEMALE. As we tallied up the points we wondered what the grads looked for when they an-

swered. Was it personality, beauty or popularity? But no matter how you look at it, there are a lot of beautiful people in J.P.

The winners for the guys were:

1) Darin Poburan

2) Dan Reynolds

3) Mike Anderson

For the girls it was a close race,

1) Monica Wisher

2) Monica Weigelt

3) Barb Fraser

Thanks to our Students' Union and fantastic student support, J.P. is known as the "School with a Heart". This is not surprising when you think of all the people who

But as the title goes, there is always someone who is **MOST SCHOOL SPIRITED**. Over fifty

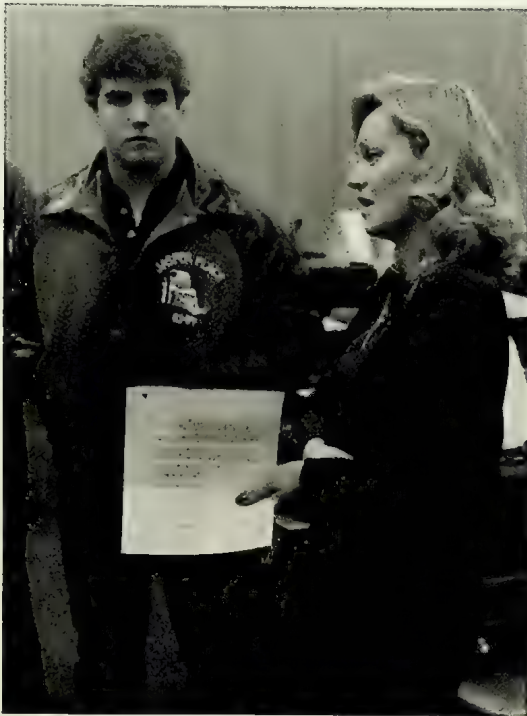

percent of the votes went to Kathy Oster, the runners up were Joy-Anne Murphy and James Zukiwski.

Who says Grads don't have fun? In the survey we asked for their 1) favorite activity 2) most memorable moments 3) and wildest fantasy. We didn't get much response for favorite activity, but most

memorable moments had some memorable answers. They included:

-Mrs. Chemago's social class
-sharpening my imitation studded belt

-passing the departmentals
-being with my friends
-erotic sex in tub of jello

The most popular category was wildest fantasy. The majority had something to do with sex and other

- to win the inter-sweepstake and live like Hugh Hefner
- to see Mr. Farion laugh

And our favorite was: To fall in

Congratulations

Well guys, you finally made it, and against all possible odds too. At least it seemed that way at times. And after 12 years it's finally over with. What a relief, eh? And they said you would never graduate! Now all

you have to worry about is the rest of your life!

But seriously, every graduating class is filled with, hopes, dreams, and ambitions. We hope all yours come true.

We'll get by with a little help from our friends.

As a school year ends, you think back on how important your friends have been. They've supported you, influenced the things you've done, and accepted your need to be you and not just one of them. Next year, you'll meet some new friends, acquire new

skills and take on new challenges.

Congratulations on your Graduation and your successes so far.

Make the most of a good thing.
Make the most of you.

MICHAEL JAMES SKEWES (1967-1984)

The inside cover page of this ECHO portrays Mike Skewes. The candid was taken in October of 1983. In April, 1984, Mike was killed in a house fire. Those of us who taught and knew Mike will remember him as the picture shows, a happy, outgoing student, with a smile and a hello for everyone.
